This Inmate's case was referred to the Federal Bureau of Prisons' Certification Review Panel to determine the applicability of civil commitment provisions established under 18 U.S.C. Section 4248. Based on a review of all available information concerning this inmate, the Panel determined that the inmate does not meet the definitional criteria of a Sexually Dangerous Person. The inmate should be released or transferred to a RRC in accordance with established Bureau of Prisons policy and procedures. Questions concerning the Panel's determination should be referred to the Certification Review Panel at 202-307-3570.

This documentation may be printed and retained in Section 5 of the inmate's Central File.
